

SUPPLY LIST

'Whimsy Garden' – Sharon McConnell

Sunday, November 17, 2019

Basic sewing and cutting supplies, pins, sewing machine and thread. Purchase the Classic Curves Ruler on Sharon's website (<https://colorgirlquilts.com/product/classic-curves-ruler>).

Workshop participants will receive the Whimsy Garden pattern free with Ruler purchase. Sharon will provide a coupon code that removes the price of the pattern and shipping. You'll get your pattern immediately (download) and she'll bring the Rulers to hand out. Also bring thread to match fabrics for applique circles and cardstock or postcard paper and paper scissors.

Prior to class: press and plan your fabrics. Study the cutting instructions on the pattern prior to purchasing yardage or gathering scraps. Make sure you buy cuts that allow you to cut all the squares you need from each piece. If you like, cut the squares listed in the cutting instructions. We will do the curved cutting in class.

****Kit available for Whimsy Garden on Sharon's website.** She'll refund shipping costs for anyone wishing to purchase the kit. Please order ahead so she can bring them to the workshop.
