

Supply List: UPDATE January 10, 2018

Heather Jones: From Inspiration to Design
Sunday, January 20, 2019 9:30 am – 4:00 pm

Workshop Supplies:

- Inspiration photo, printed out at either 4" x 6" or 5" x 7". *This is not a pictorial quilt class. Recommended photos should have strong geometry and color that can be used to create an abstract quilt.*
- Masking tape or scotch tape, preferably acid free
- A variety of markers and/or colored pencils
- A variety of paint color chips and fabric swatches, including some that coordinate with your inspiration photo
- Calculator (the one on your phone is fine)
- Graph paper, standard 8 1/2 x 11, quad ruled, available at any office supply store or some office supply departments in stores such as Meijer or Walgreen. Heather recommends 5-10 sheets minimum.
- Pencil and sharpener, or mechanical pencil.
- A small (12" long maximum) ruler. If you have a 1" x 6" quilting ruler, that will work.
- Optional: "Quilt Local: Finding Inspiration in the Everyday" by Heather Jones

The optional supply kit previously listed will not be available. The materials in that kit are included above.
