

How to use *Library Thing* to view the Guild's Library

The Greater Ann Arbor Quilt Guild (GAAQG) has a very large library of quilt-related books that are listed in searchable software called 'Library Thing.' Anyone can view the list, but only GAAQG active members may borrow books. It's very simple, just follow this tutorial.

1. Go to gaaqg.com and click on the Library page under 'Resources.'

2. This will take you to the Library page for more information and the link to access our catalog of books.

3. There is a lot of information in the catalog and you can search for a specific title, author or category by using the 'search' box. Be sure you use the second one, not the 'Search Site' box (that brings up every book listed in the Library Thing database, not just the GAAQG library).

Be sure you are in the Guild's catalog.

If you have a specific title or category in mind, search for it here.

This is only page 1. Click on 'next page' to browse.

If you want to see other books in our library by the same author, click on their name here.

For further information about the book, click here.

Title	Author	Date	Tags	Rating	Entry date
Yoko Saito's Quilts and Projects from My Favorite Fabrics: Centenary Collection by Yoko Saito	Yoko Saito	2016		☆☆☆☆	2019-03-19
Warm Fuzzies: 30 Sweet Felted Projects	Betz White	2007		☆☆☆☆	2019-03-15
Japanese Quilting Piece by Piece: 29 Stitched Projects from Yoko Saito	Yoko Saito	2012		☆☆☆☆	2019-03-15

4. When you click on a book title, you will see more information. Not all books have descriptions, and not all include reviews. To be sure it is in the Guild's library, look at the 'Member.' Note: you can't use the 'Add to..' boxes.

The screenshot shows the LibraryThing page for the book "Yoko Saito's Quilts and Projects from My Favorite Fabrics: Centenary...". The page includes a navigation bar with "Home", "Groups", "Talk", and "Zeitgeist". On the left is a sidebar with links like "Main page", "Work details", "Book details", "Reviews (0)", "Recommendations", "Members", "Descriptions (1)", "Common Knowledge", "Cover images", and "Editions". The main content area shows the book title, author "Yoko Saitō (Author)", and a table with columns for "Members", "Reviews", "Popularity", and "Average rating". The table shows 5 members, 1 review, 2,074,952 popularity, and a "None" average rating. Below the table are buttons for "Add to Your books" and "Add to wishlist". A "Book information" section lists the member as "GAAQuiltGuild", title, author, info, collections, rating (5 stars), and tags. A "Members" section lists "Recently added by" GAAQuiltGuild, ReadingIsGroovy, sahat, wi_jessamine, and ChrisME246.

When you click on a book title, you will see this information. To be sure it is in the Guild's library, look for the Member name.

These boxes don't work. You must be a GAAQG active member to borrow a book through the Members Only section of the website.

5. However, if you have a favorite author and want to see a complete list of their books, you can click on the author's name and it will show you everything in the Library Thing database.

The screenshot shows the LibraryThing author page for "Yoko Saito". The page includes a navigation bar with "Home", "Groups", "Talk", and "Zeitgeist". On the left is a sidebar with links like "Main page", "Rating statistics", and "If you like...". The main content area shows the author's name "Yoko Saito" with a red callout box pointing to it. Below the name is a table with columns for "Members", "Reviews", "Popularity", and "Rating". The table shows 258 members, 1 review, 60,631 popularity, and a 4.5 rating (5 stars). Below the table is a "Works by Yoko Saito" section listing various books and their copy counts.

When you click on an author's name, this page will show you all books by that author, but they are not necessarily all in the Guild's library.

6. You can not only search by an author or book title, you can also see all the books that the Guild owns in a specific category, such as using 'precuts' to make a quilt.

7. Whenever you want to go back to the list, or revisit an earlier page in Library Thing, use the back arrow in the upper left corner of your browser.

We hope you enjoy browsing our library!
