

## **Weeks Ringle Workshop Supply List**

### **“Magic Inch Quilts”**

Learn several variations of our most popular improvisational piecing technique and make one of the six projects in *Magic Inch Quilts*. Endlessly flexible and fun, this technique allows you to customize easily any of the patterns to any size. Projects include the quilts *Chorus Line*, *Local Hero*, *Pick-up Sticks*, *Splice of Life*, *Whiskers* and the *Latticework* pillow. You can see thumbnails of these quilts at [ModernQuiltStudio.com](http://ModernQuiltStudio.com).

- Student supplies: sewing machine, rotary cutting equipment, extension cord, thread, seam ripper, notebook or journal and any supplies you like to have handy when quilting.
- The required publication for the class project, *Magic Inch Quilts*, is available here at [ModernQuiltStudio.com](http://ModernQuiltStudio.com).
- Each student can choose any project from *Magic Inch Quilts*. The material requirements for the projects are detailed in the publication, so make sure to order it at least 10 days in advance so you can come prepared to sew. This technique is stash friendly, so you may have what you need already! If you'd prefer a kit, consider our ever-popular *Whiskers* quilt kit.
- Facility equipment needed: Tables and chairs for cutting, pressing and sewing. Two tables for instructor materials.
- Skill level: Beginner to advanced
- Size limit: 25 students

Please purchase your publication and, if desired, kits or fabrics at least 10 days before the workshop at either your local quilt shop or through [ModernQuiltStudio.com](http://ModernQuiltStudio.com).
