## UFO No More

Designed and sewn by Michele Kennedy to practice piecing triangles.

The floral was for backing, but I decided it could be a top. Lots of outline stitching raised and emphasized the flowers. I added a "fence" with a chain of embroidered flowers.

## Tropical Fish

Made by Emily Nietering, Quilted by Melissa Gregoire of Quilting by Melissa

I made this with donated fabric featuring large print tropical fish. Melissa added some great wave and bubble quilting to complete it.

## African Savanna

Made by Emily Nietering, Quilted by Melissa Gregoire of Quilting by Melissa

I made this with a fabric kit provided by the guild for our September 2020 GAAQG Safehouse Virtual Sew-in hosted by Jan Kosko.

## Stars and Fish

I pulled a kit off Jan Kosko's table a couple of years ago and finally finished it. (The fish are on the back.)

## Warmed-up Leftovers

I challenged myself to make this quilt for Safehouse using fabric squares remaining from other Safehouse quilts. I only added three new fabrics- from my stash!
