

# SAFE House Show and Tell

May 2022

Marylin Shuster

# Lori Rhode

## June Bug

The gingham used in the top was picked up from the SH table a few years ago. The border fabric came from my stash and was a Brighton quilt shop closing sale purchase. There is plenty of gingham left. I longarm quilted this on the Juki at the Farmington Hills maker space which will open to the public in the fall.

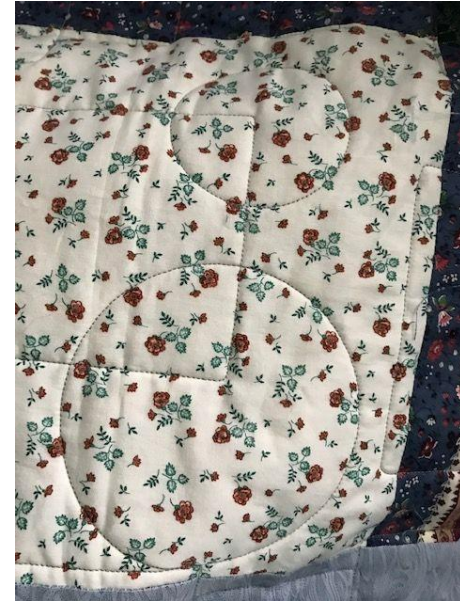

# Liz Rodriguiz Laura Jarvis

## Green June Bugs

At Liz' last in-person guild meeting in November, 2019, she "adopted" four boxes of SAFE House fabrics. Here is another quilt from those fabrics.

Laura Jarvis of [KootsiQuilting](#) did her usual wonderful job of quilting this.

Red June Bug

Another quilt from  
“adopted” fabrics.

Also quilted by Laura  
Jarvis of  
KootsiQuilting

## No More Blues

Liz started with the panel I made in last year's May workshop, and added in various orphan blocks. The pinwheel blocks are the "other side" cuts from the corners of the June Bug quilts.

## Magic Star

This was my first quilt using the Magic Star pattern. I think it will also be my last using that pattern.

# Gayle Kush

This is a product of the Magic Star Safehouse Quilt Along a few months ago. It was pieced and quilted by Gayle Kush.

# Erika Keith

Pieced by Erika Keith

Quilted by Jane Clark

# Barb Moretti

This is a quilt made by and quilted by Barb Moretti this past winter. She uses the 'quilt as you go' method where you layer each block and quilt it, then sew all the blocks together. It's quick and allows you to use up those small pieces of batting.

Tic Tac Toe

# Mary Anne Duluk

These three quilts (this slide and the next) for Safe House we're made by my Monday night group and quilted by me.

Mary Anne Duluk

These are safe house quilts that I made and quilted.  
These kept me busy during the Covid shut down.
