

Workshop Description: Mobius Radial is a wall hanging made using paper piecing, curved piecing, and partial seam techniques. This workshop covers the basic concepts of paper piecing on an arc, curved piecing, and precision piecing. We will also discuss quilting ideas. Students will learn the concepts of paper piecing on a curve. There will be a focus on curved piecing and partial seam construction. The students will complete a portion of the quilt during class. The Mobius Radial Quilt finishes at 30 x 30 inches.

Fabric Requirements:

This quilt is made from two high contrast colors; the fabric amounts below are estimates:

Fabric Requirements ¹		
Quilt Template	Fabric Amount	Kona Color Reference
Outer Background & Center Background ²	1 yard	Snow
Pieced Arc - Feature Fabric	3/4 yard	Charcoal
Pieced Arc - Background Fabric ²	3/4 yard	Snow
Quilt Backing	1 1/8 yards	Snow
Quilt Binding / Facing	3/8 yard	Snow
Quilt Batting	38 x 38 inch	N/A

¹ Pattern assumes yardage is 42" wide and seam allowance of 1/4 inch. Please note, these are fabric estimates.

² The background fabric measurements are given in two different cuts intentionally.

We'll be using the Swoop Quilt Block to demonstrate and practice curved partial seams in class. Please see below for the fabric remnants needed for this test block. These can easily be selected from the scrap bin. An example block is pictured to the right. This block is made with two feature fabrics (wasabi and glacier) and background fabric (snow).

Swoop Quilt Block Fabric Requirements		
Quilt Template	Minimum Fabric Amount	Kona Color Reference
Outer Background & Center Background	17 x 17 inch remnant	Snow
Swoop 1 & 2 - Feature Fabrics	2 - 12 x 13 inch remnants	Wasabi & Glacier

Prework:

1. Select fabrics for the Mobius Radial quilt & Swoop Quilt Block class exercise
2. Printed paper templates will be provided to you in class for both Mobius Radial and the Swoop Quilt Block class exercise.
3. **Cutting fabric before class is not necessary or recommended.**
