

BEADING BLING FOR QUILTS

Add sparkle to your quilts with a few beads—or a lot! Adding beads to a quilted project is very straightforward and we will show you how to do it in the absolutely easiest way. You will learn all you need to get started in just one lesson and your shiny quilt dreams will become a reality! Project is made with a kit, so it's simple to try it to see if you like it! Kit fee: \$8

Supply List:

Your kit will include design printed on fabric, batting, beads, needle. There will be several types of thread to try.

Scissors, hand-sewing or embroidery needles to try. Bring something for a working mat—foam, fabric, old Vellux blanket, placemat. It will help to keep beads from rolling away from you.

You may bring any beading supplies you may have, but all you need to get started will be available in class.

Optional: Extra light, cushion for comfort, stronger reading glasses or a magnifier!
